THE CHOICE OF QUALITY

The Renault Trucks range of vehicle accessories is the true premium choice for your vehicle, presenting the perfect combination of quality, prestige and lasting value.

Developed to Renault Trucks' highest quality standards, all our products come as a result of decades of working alongside a large number of industry-leading partners. We guarantee responsible production across our entire range, with a focus on optimum performance for your business and your operations.

This is just one reason behind our reputation as one of the most reliable suppliers of vehicle accessories on the market today.

Elevate your Renault Trucks appearance with our range of design-focused accessories. From exterior enhancements to interior styling, find the elements to make your truck stand out.

Additional lighting

GRILLE BAR

- Grille bar with additional LED lights

74 23 558 831

COMPLETE KIT CONTAINING:

- Stainless steel bar
- Fixing brackets
- 4 long-range lamps (10 W LED)
- Left and right cover and screws

Exclusive Renault Trucks design
For improved visibility
For Renault Trucks T High

ROOF BAR

- Double LED roof bar - stainless steel

- Full kit **H1**
- Full kit **H2**

74 24 237 467
74 24 237 464

For Renault Trucks T and T High

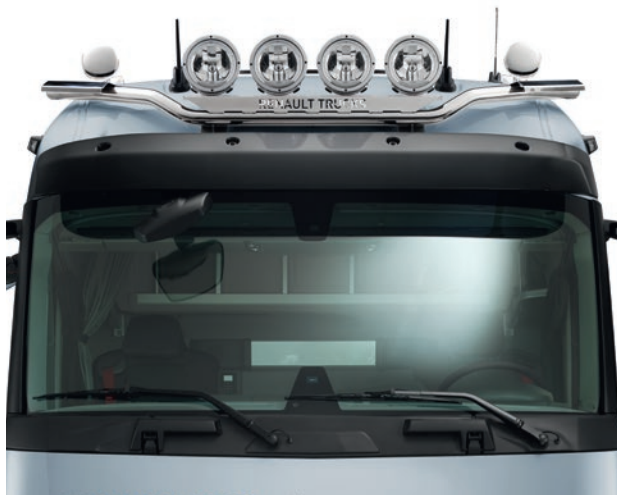

DESCRIPTION:

- Double LED bar
- Intense lighting

BENEFITS:

- Significantly improves visibility at night
- Contributes to the trucks' aesthetics, giving it a modern and professional appearance
- Simple installation

ROOF BAR

- Roof bar - stainless steel

- For **Day Cab** and **Night & Day Cab H1**
- For **Sleeper** and **High Sleeper Cab H2**

74 23 508 567
74 23 495 448

For Renault Trucks T, T High and C

DESCRIPTION:

- Renault Trucks exclusive roof bar, to secure solid installation of additional beacons and lights (lamps to be ordered separately)
- Contains stainless steel bar and wiring harness

BENEFITS:

- Robust structure
- Exclusive Renault Trucks design

ADDITIONAL LAMP

Improve the visibility of your truck's front end with our range of additional lights in a design exclusive to Renault Trucks

- Additional lamp - LUMINATOR

74 85 135 869

FULL KIT, INCLUDING:

- **H1** Luminator Chromium 24 V / 70 W long-range headlamp
- Celis LED side lights
- Chrome finish
- Transparent glass
- Ø224 mm
- ECE compliant

For Renault Trucks T, T High and C

- Additional lamp - RALLYE 3003

74 85 135 868

FULL KIT, INCLUDING:

- **H1** Rallye 3003 24 V / 70 W long-range headlamp
- 6 LED strip with intense white light
- Matte grey outline
- Transparent glass
- Ø224 mm
- ECE compliant

For Renault Trucks T, T High and C

WELCOME LIGHTS

- Welcome lighting with projected Renault Trucks logo - Full kit

74 24 689 671

DESCRIPTION:

- Kit includes one left and one right lamp
- Replaces the original courtesy lamps located in the door extension

Mats and Flooring

RUBBER MATS

Driver Passenger

- Rubber mats - Left-hand driving 74 21 514 904
- Rubber mats - Right hand driving 74 21 514 905

DESCRIPTION:

- Rubber floor mats with embossed Renault Trucks logo
- Sold in pairs: Drivers' side and passenger's side

BENEFITS:

- Offers protection against water, mud and debris
- Easy to clean
- Non-slippery surface

For Renault Trucks T, T High, C and K

TEXTILE TUNNEL MAT

- Textile tunnel mat 74 25 990 168

DESCRIPTION:

- Tunnel mat - Thick black velvet with overlocked edges
- High-end finish

BENEFITS:

- Covers the central bunk access area without obstructing the opening of under-bunk drawers
- Keeps bunk access clean

For Renault Trucks T, T High, C and K

TEXTILE MAT

Driver Passenger

- Textile mats - Driver and passenger 74 25 990 169

DESCRIPTION:

- Floor mats - Thick black velvet with overlocked edges
- High-end finish

BENEFITS:

- Gives the cabin a new look by covering and harmonizing all floors
- Keeps interiors clean

For Renault Trucks T, T High, C and K

Sun visors

CAB SUN VISORS

- Sun visor

- **Sleeper Cab and High Sleeper Cab** 74 82 366 153
 - **Day Cab and Night & Day Cab** 74 82 363 543
- For Renault Trucks T, T High, C and K*

DESCRIPTION:

- Transparent gray injection-molded thermoplastic
- Weight: 3.7 kg

BENEFITS:

- Enhance driving comfort by reducing the risks of glare and blindness
- Lower interior cab temperature

Ergonomics

SWIVEL TABLE

• Swivel table on Dashboard 74 24 520 570

DESCRIPTION:

- Exclusive Renault Trucks design
- Integrated shelf on passenger side
- Dimensions: 420 mm x 297 mm
- Maximum weight supported: 1 kg while driving, 6 kg during breaks

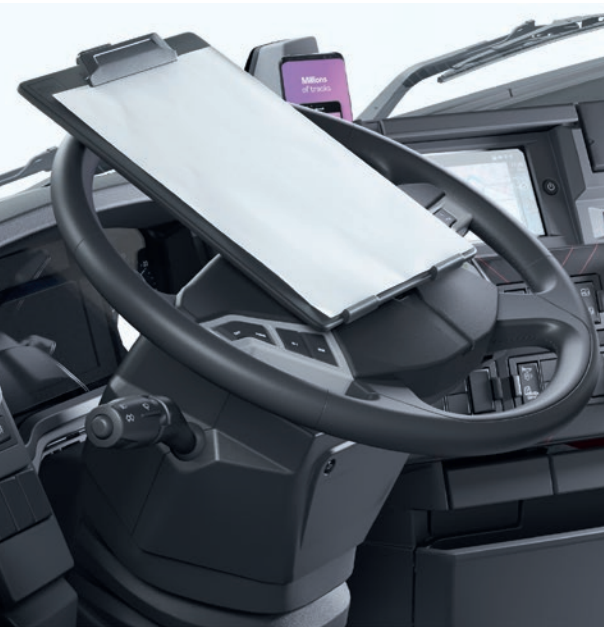

Aftermarket installation possible on trucks manufactured after week 37 of 2021

BENEFITS:

- Space optimization
- More comfort on board for signing papers, eating, etc
- Accessible from the bunk

For Renault Trucks T, T High, C and K

WRITING TABLET

• Writing tablet 74 82 224 412

DESCRIPTION:

- Document table
- Integrated pen holder
- Fits over the steering wheel
- Weight: 310 g
- A4 format
- Color: carbon

BENEFIT:

- Ensure stability when writing

For Renault Trucks T, T High, C and K

Air conditioners

PARKING COOLER

• Parking cooler - SPX1200

74 24 271 365

For **Sleeper Cab** and **High Sleeper Cab**

- Roof evaporator: 770 x 182 x 577 mm (roof height 60 mm) | 30 kg
- Compressor unit (rear of cab): 346 x 485 x 126 mm | 28 kg
- Service life: 12 hours
- Power: 1,200 W
- Voltage: 24 V
- Current: 12 - 22 A

For Renault Trucks T, T High and C

• Parking cooler LITE

74 23 488 889

For **Sleeper Cab** and **High Sleeper Cab**

- Dimensions: 788 x 740 x 122 mm
- Weight: 25 kg
- Power: 100 W
- Voltage: 24 V
- Current: 12 - 19 A
- Service life: 10 hours
- ADR-compatible

For Renault Trucks T, T High and C

• Parking cooler RTX1000

- For **Sleeper Cab** and **Night & Day Cab** 74 23 488 884
- For **High Sleeper Cab** and **Sleeper Cab** 74 23 488 890

For Renault Trucks T, T High and C

- Dimensions: 645 x 860 x 308 mm
- Weight: 22.8 kg
- Service life: 12 hours
- Power: 1,200 W
- Voltage: 24 V
- Current: 5 - 25 A
- ADR-compatible

PARKING COOLER

• Parking cooler Kompressor III

74 23 488 891

For **High Sleeper Cab**

- Dimensions: 155 x 780 x 580 mm
- Weight: 14 kg
- Power: 1,100 W
- Current: 1 - 8 A
- Service life: 10 hours
- ADR-compatible

For Renault Trucks T, T High and C

A COMPLETE RANGE AUTOMOUS AIR CONDITIONERS FOR:

COMFORT

- Less noise than a standard air conditioner
- Remote control for temperature and power settings

SAVINGS

- Significant fuel savings thanks to engine-off operation
- Reduced wear and tear on the engine, as it is not stressed by the autonomous air conditioner

SAFETY

- A controlled cab temperature improves the driver's quality of rest and concentration
- Accidents can be avoided

ENVIRONMENT

- Less CO₂ released into the atmosphere, helping to protect the environment

Cab interior

BLOWGUN

• Cab blowgun 74 24 360 923

DESCRIPTION:

- Professional blowgun
- 2 m red polyurethane spiral hose
- Colors: red and gray
- 8.5-bar pressure
- Must be ordered with connector kit 74 84 800 304 for trucks manufactured on or after 13 March 2017
- Connects or disconnects instantly to the cab pressure connection
- Good grip thanks to ergonomic gun
- Ensure a clean interior cab

For Renault Trucks T, T High, C and K

CUP-HOLDER

• Cup-holder 74 78 629 362

DESCRIPTION:

- Easy-to-install bottle door for bottles up to 1.5 L capacity
- Kit including: bottle holder, attaching hook

BENEFIT:

- Space-saving thanks to optimised storage/stowage

For Renault Trucks T, T High, C and K

WASTE PAPER BASKET

• Waste paper basket 74 78 629 360

DESCRIPTION:

- Easy-to-install basket keeps cab clean and improves quality of life for driver and passengers

For Renault Trucks T, T High, C and K

WATER TANK

• Water tank 25 L 50 01 860 231

DESCRIPTION:

- Made from high-density polyethylene
- This material complies with food quality standards
- Dimensions (W x D x H in mm): 600 x 450 x 220

BENEFIT:

- Easy to mount on chassis

For Renault Trucks T, T High and C

CLOTHES HANGER

• Clothes hanger 74 82 291 102

DESCRIPTION:

- Color matched to vehicle interior
- Robust hold

For Renault Trucks T, T High and C

Fridges

ELECTRIC COOLER

• Electric cooler - 24 L 74 85 134 405

DESCRIPTION:

- 24 L capacity
- 12 V DC and 230 V AC power supply
- Dimensions (L x D x H in mm): 420 x 300 x 420
- Automatic DC/AC (12/230V) switching between vehicle and main power supply
- Weight 4.3 kg
- Two zip-closure pockets
- Cargo net
- Cable storage compartment
- Adjustable shoulder strap
- Sufficient height to fit 2 L bottles
- Self-gripping closures for secure fastening inside the vehicle
- Resistant exterior coating
- EC, TUV/GS-compliant, type-approved in accordance with the current directive applicable to vehicles

For Renault Trucks T, T High, C and K

Fridges

ADDITIONAL FRIDGE

• Bottle cooler

74 82 268 385

DESCRIPTION:

- Storage capacity: 2 x 1.5 L
- Weight (empty): 4.6 kg
- Dimensions (W x D x H in mm): 160 x 276 x 430
- Power supply: 24 V

For Renault Trucks T, C and K

• Additional fridge 26 L

74 78 712 675

DESCRIPTION:

- Capacity: 26 L
- Weight (empty): 16 kg
- Dimensions (W x D x H in mm): 660 x 662 x 230
- Voltage: 12 / 24 DC
- Temperature: 4°C to 12°C
- Color: black

For Renault Trucks T, C and K

• Additional fridge 40 L

74 78 712 677

DESCRIPTION:

- Capacity 40 L
- Weight (empty): 20 kg
- Dimensions (W x D x H in mm): 647 x 448 x 370
- Voltage: 12 / 24 DC
- Temperature: 4°C to 12°C
- Color: black

For Renault Trucks T High

Rest

HAMMOCK BACKREST CUSHION

• Hammock backrest cushion

74 82 286 392

DESCRIPTION:

- Dimensions (H x W in mm): 750 x 500
- 100% polyester

BENEFIT:

- Easy to store, takes up little space when not in use

For Renault Trucks T and T High

MATTRESS TOPPER

• Mattress topper

74 23 822 359

DESCRIPTION:

- Shape memory
- Removable
- Fabric in harmony with seat covers and cabin design
- Dimensions: 2000 mm x 700 mm x 30 mm
- 300 g/m³ wadding

BENEFITS:

- Mattress protection
- Improved sleeping and sitting comfort
- Increases bunk life
- Better weight distribution
- Can be used with all types of bunks (high and low)

For Renault Trucks T, T High, C and K

SAFETY

P.36 - Additional cameras

P.37 - Visibility

P.38 - Antitheft systems

P.38 - Horns

P.39 - Fire safety

Safety on the road. Our priority

With our range of safety accessories, reduce risk of accidents and drive with confidence. Because safe transportation means a more peaceful road for everyone!

*Enhanced vision

*Improved aerodynamics

*Optimised driveline

Additional cameras

DIGITAL CAMERA

• Additional digital camera 74 24 702 922

DESCRIPTION:

- Additional camera to plug on the ethernet switch
- Infrared LED for night use
- Closing flap to protect the lense and keep it clean when not used
- Vision field: horizontally 170°+/- 3°, vertically 120°+/- 3°

BENEFIT:

- Better visibility around the truck (different angles and blind spots), thus improved safety

For Renault Trucks T, T High, C and K products after November 2023

REARVIEW CAMERA

• Additional rearview camera

- Length 10 m (for Tractor) 74 23 317 424
- Length 20 m (for Rigid) 74 23 317 425

For Renault Trucks T, T High, C and K products before November 2023

KIT INCLUDES:

- Camera
- Cable
- Connector
- Check vehicle requirements

ETHERNET SWITCH

• Ethernet switch 74 24 040 618

- Switch to add up to 6 cameras

For Renault Trucks T, T High, C and K products after November 2023

Visibility

DOUBLE ROTATING BEACONS

• Double orange rotating beacons

- For Renault Trucks T, T High, C et K 74 21 650 707
- For Renault Trucks D et D Wide 74 22 100 420

KIT INCLUDES:

- 2 orange 24 V rotating beacons
- Installation kit

WORKING LAMPS

• Working lamps - rear cab

- Kit H1 170 cm 74 24 764 315
- Kit H2 220 cm 74 24 764 316

For Renault Trucks T, T High, C and K

KIT CONTAINS:

- 2 work lamps (LED technology, 24 V / 16 W power supply, ECE R10 compliant)
- Bracket
- On/off switch

BENEFITS:

- Improves visibility of the work area around the truck to reduce the risk of accidents
- Optimized switch location

CONSTRUCTION SITE BAR

• Construction site bar fitted with warning triangle and rotating beacons 74 21 650 717

DESCRIPTION:

- Complete pre-wired set, pre-mounted on the vehicle
- Includes 1 bar (140 cm) supporting 2 12 V rotating beacons and 1 flip-up triangle
- Allows dual use: classic, with two flashing beacons; worksite, with flip-up triangle
- 24 V

For Renault Trucks T, C and K

Antitheft systems

LOCK

• Doorlock mechanical anti-intruder lock 74 84 078 457

- KIT INCLUDES:**
- Mechanical locking system for mounting on cabin wall and door (right and left), and stickers for door windows
 - Mechanical security system in addition to the remote control locking system
- BENEFIT:**
- Break-in resistant
- For Renault Trucks T, T High, C and K*

Horns

ROOF HORN

• Steel roof-mounted horn 74 84 522 090

- DESCRIPTION:**
- Chrome-plated steel
 - Powerful horn
 - Dimensions (W x H in cm) : 61 x 15
 - Weight: 1.2 kg
 - Sold individually
- Cannot be fitted with Night & Day cab roof deflectors
- For Renault Trucks T, T High, C and K*

Fire safety

FIRE EXTINGUISHER CASE

• 6-9 kg fire extinguisher case 74 22 590 688

- DESCRIPTION:**
- Protective box for extinguishers located outside vehicles or trailers
 - Suitable for 6 to 9 kg extinguishers
 - Supporting structure in recyclable black polypropylene
 - Unbreakable, transparent plastic door with porthole
 - High resistance to impact, hydrocarbon and acid splashes, and stone chips
 - Vertical or horizontal mounting
 - Supplied with screws and retaining strap
- BENEFITS:**
- Perfectly watertight
 - Robust
 - Quick installation
 - Easy to open in an emergency

FIRE EXTINGUISHER

• 6 kg fire extinguisher 50 10 404 152

- DESCRIPTION:**
- ABC powder extinguisher
 - Fire class 34A, 233B, C
 - Propellant: CO₂, 120g cartridge
 - Weight 11kg
 - Operating temperature: between -30°C and +60°C
- For Renault Trucks T, T High, C and K*

• 2 kg fire extinguisher 74 82 144 576

- DESCRIPTION:**
- ABC powder extinguisher
 - Fire class 13A, 89B, C
 - Fitted with pressure gauge for checking and maintaining pressure
 - Temperature limits: -30°C to +60°C
- For Renault Trucks T, T High, C and K*

• 3 kg fire extinguisher 74 82 144 585

- DESCRIPTION:**
- ABC powder extinguisher
 - Fire class 13A, 89B, C
 - Fitted with pressure gauge for checking and maintaining pressure
 - Temperature limits: -30°C to +60°C
- For Renault Trucks T, T High, C and K*
